Editor: M. Maine

2011 Fall Edition

Beloved, I wish above all things that you may prosper and be in good health, even as your soul prospers. III John 2. Note: This prayer is prayed each day over those on our Pathlight Ministries mailing list. Also, we pray in Jesus name, that you and your family are protected and living in a cancer free zone.

MOVING US OUT OF OUR COMFORT ZONE!

Our home church is helping to launch out and establish a beautiful mission church about an hour's drive from our place of residence. Interestingly enough, our pastor had been talking of this new work for several months. We listened of course and applauded the vision. More than two years ago, the shepherd of a rather large church in Southern California came and talked to our church congregation. He gave some startling statistics to those in attendance. Apparently, hundreds of churches close yearly in the United States.

One Sunday morning, just a few weeks ago, the Lord tapped Bob on the shoulder about "coming over to Macedonia" to help birth this vital new work. Let me say here that we were very comfortable and settled in our old home church. Our routine was pretty well established. In spite of our comfort and coziness, the Lord gave us this great "launching out" direction.

Needless to say, our new church is awesome. Recently, I spoke with a woman whom I met me in the new church lobby. She said, this is my third time coming here to this church. I really hadn't planned to come back. But here I am again. Before she left I reminded her that I would see her again next week. Hummmmmmm! There are many opportunities to enlarge our tents and stretch our borders to include new and exciting experiences. Today is certainly a new day in Christendom. Go for it and fear not!!

REPORTS FROM THE MISSION FIELD

Hope for Haiti Children's Center: Dear Bob and Madelyn: One of the greatest blessings this month is the health and recovery of one of our miracle children. He had a second surgery and is now recovering in the states. He is doing well. We appreciate your prayers. Thanks so much for being a part of our story to care for orphaned and impoverished children and for making the Children a part of your giving. Our supporter donations not only provide clothes, food, medical care and education, but also a home where safety, love and laughter fill the walls. We pray God's blessings for you as another season begins. For the children. Danita Estrella Micah 6:8.

Kenya, East Africa-Bungoma Bible School: Thank you for your prayers and other support; you are ministering to Jesus. He said, come you blessed of My Father inherit the kingdom prepared for you from the Foundation of the World. May you be blessed for helping the people of the universe. We pray that the Lord prospers you in Jesus name.

Campus Crusade for Christ: Thank you for your gift to help fulfill the great commission by sending Bibles to the Middle East. Men, women and children will hear about Jesus for the very first time because of your generous investment. It is a privilege to serve with you, taking the good news of the gospel to the ends of the earth. May God bless you.

J.A.R. Ministry to Prisoners: This is the month that we celebrate being thankful. It was in this month in 1980 that I was told that in 3 months that I would be blind.

For several months, I walked around believing that it would come at an appointed time. To this day, He is still using me to minister to those in prison. God has allowed me to reach out to literally thousands simply because I said yes. Many need prayer. Pray for me and the staff, leaders, military, law enforcement, yourself and those around you. Continue to be a light where you are. Thank you for your gifts of love. He will finish what He has begun. In His Love, John

Correspondence from other prisoners: A study on the Book of Revelation just started. On Monday nights, **The Spanish Bible** study continues to spiritually prosper and grow. We prayed for one of our volunteers from the discipleship Bible study for his quick recovery from hip replacement surgery. Gospel Express Ministries walked us through a seminar weekend on Resolving Anger. It was very inspirational and helpful. Approximately 40 men attended the three day seminar. May God continue to bless increase and prosper you, your church and all your efforts. Please pray for bro. Albert to be healed and find favor. Signed, brothers Angel & Mark, Somerset, PA.

Other Prison Notes: Pathlight, your newsletters are awesome. I cannot wait for the next edition. I want to thank you for your prayers and faithfulness. We look forward to praying with you and others for the many needs and concerns and for your fellowship with other Ministries. In Christ. Weldon

Chuckawalla State Prison: Your Ministry is inspiring. It is nice to hear what God is doing around the world. Blessings in Abundance. JV

BARCELONA, SPAIN: The Lord did it through you all. We thank you for your faithful support of this work. Miraculously, we are now deemed a church. We advertise publically and are listed with the various levels of government as "International Evangelical Center". Our hearts overflow with thankfulness to God for blessing this church through you. We thank the Lord with you and for you. David and Christina.

David Wilkerson: For many years, we have helped to support and undergird the outreach efforts of this viable Ministry. We miss this seasoned man of God who went home to be with the Lord several months ago. Our hearts are grateful that the work he begun decades ago is continuing through the organization that he founded. May the Lord's anointing overshadow the on-going work of this great Ministry.

Prayer Vigil: In September of this year, we were contacted by End-Time Handmaidens and Servants. They requested us to head up a prayer vigil from October 4th through November 4th from the Midnight hour to 1 a.m for the Pacific Northwest region. We gladly accepted passing of the baton, which was passed on to the Handmaidens from Woman's Aglow. This was an awesome time for us to lift up specific needs for our world. Bob has just been downsized from his job. This allowed him the freedom to participate in prayer during this significant time. Surely our prayers (along with many other prayer warriors) touched Heaven. We had many challenges come to us. Our computer totally crashed; whole house plumbing system had to be replaced; our wonderful and faithful dog became deaf (seems as if it happened overnight); other physical health issues came to our home as the local Urgent Care clinic had to be visited. For those who participated and prayed during this time, may the Lord bless you richly.

PRAYER CORNER: According to I Timothy 1-4: Remember to pray for all of those in positions of leadership and places of authority throughout the world. Whether you voted for him or not, please pray for the President of the United States. A very monumental burden of decision making faces him each and every day. Pray for all elected officials. Pray for your church leaders and for marriages. Pray for the babies born into this world that there be no confusion regarding their normal sexuality or gender. Thank the Lord for salvations from the north, south, east and west. Especially pray salvation and healing for Jerri, Curt & Marco. Pray for those on the mission field. Pray for those incarcerated. Always pray for the widows and orphans. Pray for the peace of Jerusalem and for all within Israel's borders. Pray safety and wise decisions for our military and their families. Pray for the First Responders and all Civil Servants. Thank God that the believer has favor with God and man. Thank God for healing all who need a touch from Him, especially, Mrs. Davis, Ellie, Joey, Lisa, Fran, Dale, Marcia, Jean, Kalia, Larry, Gloria, Vivian & Rita. Thank God for supernatural resources for those who have lost their jobs, homes and loved ones and that all needs are met according to His riches in Glory. Pray for the salvation of the world's most notorious demon driven leaders. The apostle Paul at one time was a terrorist until the Lord transformed him. God is able to do exceeding, abundantly more than we can ever imagine. Praise and Thank God for His mercy and grace!

"Create within me a clean heart and renew a right spirit within me", daily. Psalms 51:10. With love, *Bob and Madelyn*
